

LAGUNA NIGUEL HISTORICAL SOCIETY

Preserve the Past - Enrich the Present - Promote the Future

November 2011

Dear Members.

First of all – Welcome to all new members!

We have made a great deal of progress over the last few months. Our membership has increased and we have received several donations of pictures/documents. Our “home” off AWMA Road now has file cabinets, computers and bookcases. We are very grateful to the City of Laguna Niguel for making us heir to some surplus office furniture.

To keep everyone current, here are pictures from some of our recent events and information on upcoming activities.

On August 15th, the LNHS made a presentation at the Sea Country Senior and Community Center. Several historic documents were displayed and a video presentation provided

attendees with a glimpse into our “start-up” collection of photographs and memorabilia.

On September 27th, Mayor Gary Capata served as the main speaker at our general meeting and members were given an overview of the City’s plan for their Grand Opening event.

On October 15th over 1000 residents enjoyed visiting Laguna Niguel’s new City Hall. Historical Society members served as the “History Walk docents” and helped visitors become familiar with the many historic elements contained within our City seal.
